The closing dates for applications for 2023/24 academic year are:

September Cohort	Standard programme – 8 months	02 June 2023
October Cohort	Standard programme – (extended version) – 12 months	07 July 2023
January Cohort	Standard programme – 8 months	13 October 2023
February Cohort	Standard programme – (extended version) – 12 months	24 November 2023
April Cohort	Standard programme – 8 months	19 January 2024
June Cohort	Standard programme – (extended version) – 12 months	15 March 2024

BEFORE YOU BEGIN: The Independent and Supplementary Prescribing programme is extremely demanding. It is important to read all the information on the form carefully. You will need to do the following before you apply.

- Where appropriate, discuss your intention to undertake the programme with your organisation Non-Medical Prescribing (NMP) lead prior to completing the application (non-medical prescribing has to be appropriate for your role and the service).
- In accordance with the NMC standards for student supervision and assessment, there should be a nominated person to actively support you and address concerns. Please discuss this with your manager/NMP Lead.
- Where appropriate, ensure that you will have agreed access to an NHS prescribing budget on qualification.
- Ensure that you fit the academic and clinical entry criteria. Please note that priority for the 8-month programme will be given to those with a clearly defined scope of practice. We reserve the right to offer only the extended 12-month programme.
- This is a distance learning programme; you must have access to a computer and the internet and be sufficiently computer-literate to navigate an online learning platform and to download and upload files.
- Ensure that consideration has been given to the impact on clinical workload during your period of study.
- Ensure agreement from a Practice Supervisor (PS)
- Ensure that you can attend all of the **compulsory** study and assessment days. The dates for the study and assessment days of upcoming cohorts are on the website under Course Structure.
https://msp.ac.uk/postgraduate/?course_id=740&course_level=postgraduate
- Ensure that you are not away from the period of learning for more than two consecutive weeks.

Please check this information from the [NMC](#) on competencies and standards.

Guidance Notes on completing the form

This application form consists of five sections. In order to apply for a prescribing programme within this institution, we require you to complete all FIVE sections legibly.

- Section 1: Personal details and working practice
- Section 2: Declaration of support/access to a prescribing budget
- Section 3: Declaration of support from a Practice Supervisor (PS)
- Section 4: Funding statement.
- Section 5: Personal intention form.

Only legible and complete applications will be considered at the application panel.

If you would like to discuss any aspect of the application process, please email MSOPPGTAdmin@greenwich.ac.uk

The form

- Download the form and save to your computer before using the fillable sections.
- The pages that require signatures will need to be printed out and signed manually.
- Ensure the application form is signed by applicant, manager, NMP Lead and PS.
- The statement of funding must be completed.

Further considerations

Please consider the following:

1. Places on this programme of study are sought-after. If you take up a place and then withdraw you will have prevented another student from taking part.
2. The information requested on the application form is required by the professional/regulatory bodies and the university. Please take your time to complete it carefully as any incomplete applications will have to be returned to you which may delay your application.
3. If you are self-employed / non-NHS you need to show as part of your application how you will fit the programme of study into your current practice and how you will practically prescribe once qualified. We do not generally accept students who wish to use the prescribing programme as an addition to their career or in preparation for application for a job in the future. There needs to be an identified current need for your prescribing. You need to show how you will implement it and in particular how the prescribing you undertake will be funded. If you are planning to prescribe from an NHS budget, you need to include the signature of the budget holder indicating that you have permission to prescribe from that budget once qualified. You will need to provide assurance if you are a self-employed nurse or non-NHS employed registrant, that you have the necessary governance including clinical support and access to protected time.

We look forward to processing your application in due course.

**Trudy Thomas,
Prescribing Programme Lead, Medway School of Pharmacy.**

SECTION 2: DECLARATIONS OF ELIGIBILITY/SUPPORT/AND ACCESS TO PRESCRIBING BUDGET

STUDENT NAME: _____

TO BE COMPLETED BY MANAGER OF EMPLOYING ORGANISATION²

Please indicate yes or no on all the following statements to confirm:	YES	NO
The applicant is an employee with a minimum of one years' post-registration clinical experience (or part-time equivalent) in the UK which will give them experience in the clinical area in which they intend to prescribe		
The applicant will be given 9 study days to attend the university programme, 12 days' supervised practice overseen by their Practice Supervisor and the equivalent of between 12 and 17 days of individual study time to enable the distance learning requirements of the Medway School of Pharmacy programme.		
The applicant is competent to take a history, undertake clinical health assessment, diagnose, plan and evaluate care, in their area of practice.		
There is clinical need for the applicant to prescribe within their current role.		
The applicant demonstrates appropriate numeracy skills. We strongly recommend that all students undertake a numeracy assessment before attending the programme.		
The applicant will be supported with appropriate Continuing Professional Development once they are qualified including access to appropriate supervised practice in the clinical area in which they are expected to prescribe		
Nurses, midwives and SCPHN applicants must have a Disclosure and Barring Service (formerly CRB) check that is current and satisfactory and no more than three years old. You will be required to produce evidence of this for registration.		
The suitability of this application has been discussed with the NMP lead for the organisation.		
The applicant has access to a computer and the internet.		
Please confirm that a discussion has taken place between yourself and the applicant regarding exactly how much study time the applicant will be granted. The University recommend students are given up to 17 days (or equivalent hours) of additional study time not including the Study Days to enable the distance learning elements of the Prescribing Programme to be met. Please state the expected additional study time agreed with the applicant:		
	_____ days OR	_____ hours

² This section **must** be completed by an appropriate other if you are self-employed.

PRIVACY NOTICE

Student Applicant Privacy Notice

The Medway School of Pharmacy as part of both the University of Kent and the University of Greenwich is committed to protecting the privacy and security of your personal information.

In relation to your application to the School, we process the data that you provide to us via this application form and any additional documentation which you provide to us. We may also process information relating to your application which is provided to us by third parties at your behest.

The information which we process would typically include:

- Name, title, contact details, date of birth
- Application data, including your qualifications, your previous education, employment details and funding information
- Correspondence

We process personal data about you for the following reasons:

- To determine the suitability of your application for the programme / course
- To administer your application throughout the application and admissions process
- To create a record of your application
- To provide you with information relevant to becoming a University of Greenwich student
- To compile statistics about applicants within the School of Pharmacy⁸.
- Successful applicants will go on to make an application to the University of Greenwich which has its own student applicant privacy notice⁹

We rely on the following legal bases for processing the data: public task (core or key tasks of universities), a contract with you the individual (including steps before entering into a contract), and compliance with legal obligations.

Relevant Medway School of Pharmacy employees will have access to the application data on this form. We may also share data about you or your application, in some instances, with third parties. Examples of this include:

- If we need to ascertain the authenticity or accuracy of your application (e.g. from examining or awarding bodies, regulatory bodies, NHS organisations);
- Where you have given us consent to discuss your application with a third party on your behalf;
- Where we are required by law or otherwise authorised under Data Protection legislation to share data on your application with official agencies or regulatory bodies (e.g. UK Visas and Immigration and other bodies with statutory powers or authority, and investigating authorities including the police and local authorities);

Data for applicants who do not become fully registered students at the University of Greenwich will be held for two years after the end of the current academic year when the application was made. Exceptions will be where there is an overriding requirement in law to keep certain data, or for public task reasons. Retention periods are based on our retention schedules, and you can request a copy of the relevant schedule. If you become a registered student, your data will be used to form the basis of your student record, at which point the Student Privacy Notice¹⁰ will apply.

You have rights as a Data Subject. You can see more information about those rights on the University of Greenwich website. Contact University of Greenwich's Data Protection Officer / University Secretary. email: compliance@gre.ac.uk.
